

## **Enter Air: contract with Airconsulting worth EUR 27.4m**

**Enter Air and Airconsulting s.r.o. have signed a cooperation agreement for the Summer 2018 – Winter 2018/2019 season. Enter Air will provide the tour operator with passenger and baggage carriage services. The estimated value of the contract is USD 27.4m.**

**Andrzej Kobielski, Enter Air management board member and sales director, said:** *“Our cooperation with Airconsulting for another season in a row evidences our good relations and further strengthens our presence on the French and Spanish markets. Airconsulting has been our partner for more than 7 years, which is another positive aspect underpinning these two brands on western European markets.”*

In recent months Enter Air signed contracts for the Summer 2018 and Winter 2018/2019 seasons with leading Polish operators: TUI Poland (contract value of roughly PLN 299.5 million), Itaka Holdings (contract value of roughly PLN 182.5 million) and Rainbow Tours (contract value of roughly PLN 165.3 million); and a contract with TUI Poland for the Summer 2019 and Winter 2019/2020 season (contract value of roughly PLN 303.9 million). In February 2018 Enter Air also signed a contract on the British market with Sunvil International (contract value of roughly PLN 21.4 million).

---

### **About Enter Air**

Enter Air is the largest charter airline operating in Poland and also the largest private air carrier in Poland. The group offers connections to leading Polish and international travel agencies, flying to over 30 countries, ranging from Iceland and Portugal to Kenya.

In 2017, Enter Air carried more than 2 million passengers. The Enter Air fleet consists of eighteen Boeing 737-800 aircraft. The airline also has orders for six Boeing 737-8 MAX aircraft.
